## Holiday Safety Tips

- 1) Please be sure to always lock your car doors, whether you are parked in your driveway or on the street, even if you are only away from the vehicle for a few minutes.
- 2) Do not leave packages or valuables in plain view on the seat of your car; put them out of sight or secure them in the trunk.
- 3) If you will be away for several days, make arrangements for someone to pick up your mail and newspapers.
- 4) Use timers to turn lights on/off, both inside and outside of your home, after dark.
- 5) Watch out for your neighbor's property and report any suspicious activity or persons to the Police Department without hesitation.
- 6) If your holiday celebrations are out of town, avoid posting photos or information about your travels on social media.
- 7) Put that cellphone away and make sure every person in your vehicle is buckled up!
- 8) Use a designated driver to ensure guests get home safely after a holiday party.

**The Woodbridge Police Department wishes you a safe, happy and peaceful holiday season!**
