Application for Zoning Regulation Amendment and an Amendment to the Town Plan of Conservation and Development

This application proposes substantial changes in the Zoning Regulations of the Town of Woodbridge based on several claims of illegality in the Town's existing Zoning Regulations by the applicants.

The application is to amend the Zoning Regulations and the Town's Plan of Conservation and Development (POCD) to permit, in most of the Town's residential districts, multi-family housing with affordable units.

It is the applicant's representation that the amendments to the Zoning Regulations and POCD will begin to address what is in the applicant's opinion, the longstanding exclusion of multi-family and affordable housing in Woodbridge and the POCD's failure to plan for housing opportunity in Woodbridge.
