In attendance: Sandy Stein, Tahera Parvez and staff Betsy Yagla. Guest Joi Prud'homme joined at 9:40 am.

The meeting came to order at 9:30

Minutes

Ms. Stein made a motion to approve the minutes as written. Ms. Parvez seconded. All in favor.

Earth Day Event

The Community Council will not need a table but will host a New Resident Meetup at 10 am at the VFW flagpole. If it rains the meetup will be held during the May bike event.

Ms. Yagla shared a draft map of the event layout and Ms. Stein suggested putting the tag sale vendor parking in the Center/Library parking lot to avoid conflicts between people dropping off/picking up from vendors in that parking lot.

The map will be shared with the public so they understand all the activities available that day and where to find them.

Bike event

PTO President Joi Prud'homme joined the meeting to discuss what the PTO can do during the short ride's break at the school.

She said they will have tables with snacks and water, speakers for music and fun photo opportunities. The building will be closed so there will be no restroom access.

Ms. Yagla will find an organization to help with pre-ride bike decorations and will create an RSVP form.

New Resident Meetups

In addition to the Earth Day meetup there will be a picnic on the Green before a July concert for residents to meet their neighbors. The group agreed to not hold virtual meetups during the winter and to consider holding one in the fall and spring at in-person events.

Future of the Community Council

The group discussed bringing name suggestions and suggestions for new members to the April meeting.

They discussed a list of events created by Ms. Stein and will continue discussing the list at the April meeting.

The meeting adjourned at 10:40 am.
