Ice Storm Response, Clean-up and Next Steps

We are busy cleaning up from the recent ice storm and preparing for more winter weather.

My thanks to all town residents for your patience and cooperation as Woodbridge experienced the bitter cold, high winds, ice, snow, rain and power outages on January 20 and 21.

I would like to highlight and express deep appreciation for the work of our Town’s First Responders during this storm. They answered a high volume of calls related to the many downed trees and limbs that were blocking roads and taking down power lines. In all, over 100 calls were answered by our dedicated Fire, Police, Public Works Road Crews and our Animal Control Officers over the long holiday weekend. These men and women are always there when we need them, and I am sure I speak on behalf of residents when I express gratitude for all they do on our behalf.

Our Human Services Department opened the Emergency Shelter and Warming Station in the Center Building, and their work to provide a place to warm up, sleep and charge devices for all affected residents is so appreciated. Kudos to the JCC for opening their doors to members and non-members, for warming, charging and showers. Thank you! I also want to

acknowledge and thank those residents who offered to open their homes to neighbors during the lengthy power outages. This spirit of neighbor reaching out to neighbor is inspirational. This is what makes Woodbridge a truly wonderful community.

As we do after all major storms, Town Hall staff and I have met with representatives from UI and our First Responders to go over the response to this storm, and suggest ways that we can improve. In addition, I have waived the fee associated with brush disposal at the Transfer Station through

February 9. Please see the Town website for further details.

As a reminder, during storms or other high call volume conditions in Town, please use the **Police Non-Emergency Number (203-387-2511)** to contact the Town for help with NON-EMERGENCY assistance. When we are closed for storms, all other phone numbers for Town departments in Town (including Human Services, Public Works, Animal Control, and Town Hall offices) are not answered and messages are not monitored. By calling the Police Non-Emergency number, you will be connected to available services to assist you – please do not hesitate to call.

Snowflake Dance Fundraiser: Come out and have some fun while benefitting your volunteer firefighters! The 20th Annual Snowflake Dance & Auction is Sat., Feb. 23 at the JCC. Town Offers Donation Program

The Town has two new donation opportunities for people looking to provide a lasting gift to the Town.

“One of my goals is to make the Town Center Campus a more attractive public gathering space,” says First Selectman Beth Heller. “These programs will help maintain and upgrade the look and feel of our Town Center, which is an important reflection on our town.”

The Board of Selectmen agreed to use one style of bench to provide a cohesive look to Town-owned properties.

The tree donation program came as Heller’s desire to replant the denuded area on Center Road. The Town is also seeking to replace trees on the Green.

Benches cost \$2,800 for a 6-foot bench and \$3,100 for an 8-foot bench. The price includes the cost of delivery, installation by the Town and a plaque on which the purchaser may have a message inscribed. The Town has identified several locations where benches are needed.

Forms for both programs are on Public Works’ and Recreation’s pages on the Town website, WoodbridgeCT.org.

The Town estimates that a donation of \$600 or \$700 will cover the cost of a tree, delivery, installation and plaque. More accurate pricing will be available in the spring. The Town hopes to begin planting trees in the spring if there is enough interest in the program.

New Salon Opens

Ceci’s Nails opened for business in the 214 Amity Road shopping plaza.

Ceci’s Nails, owned by Cecilia Bermeo, offers waxing, eyelash extensions, facials, manicures, pedicures and eyebrow threading. Bermeo has been in the nail business for 12 years (most recently at Blue Sky Nails in New Haven) and always knew she wanted to open her own salon.

The space is newly renovated (it used to be a bakery) and the result is relaxing and airy.

They accept appointments and walk-ins and are open 9 am to 7 pm, Monday through Saturday and 10 am to 5 pm on Sunday. For appointments call 203-939-6524.

REMINDER: All dogs must be on a leash at all times on Town-owned properties including parks, trails, recreational fields and fitness areas.

Events Examine Diversity

Woodbridge residents are invited to explore and celebrate diversity at free events this winter organized by the Town's ad hoc Community Council.

The ad hoc Community Council was created to organize events and other opportunities for Woodbridge residents to interact, learn about each other's culture, create community and celebrate Woodbridge.

Amity Regional High School Diversity in Action club members and other community members will read from Ta-Nahesi Coates' book, *Between the World and Me*, at an event on Tuesday, Feb. 26 at the Amity Regional High School Library at 7 pm.

Following the readings there will be a discussion about the book. The snow date is March 5.

The Woodbridge Town Library has extra copies of the book available for check out. The

book, a National Book Award winner, is a deeply personal story about race which started as a letter to the author's black teenage son about how to navigate living in America with black skin.

On Feb. 28, the Woodbridge Town Library will host a screening of *I Am Not Your Negro* at 7 pm as part of the Library's regular film series.

I Am Not Your Negro is an Academy Award nominated documentary that envisions the book that James Baldwin never finished, *Remember This House*. The film is an examination of race in America. Following the film the Community Council will lead a discussion. The snow date is March 14.

In January the JCC hosted a children's book reading that explored lessons of kindness, inclusion and acceptance.

4. meet the Town program income limits (for single or married) of \$43,900 maximum to qualify for a \$1,400 Tier 1 credit and \$74,630 maximum for a \$1,120 Tier 2 credit.

Proof of 2018 income and Social Security earnings is required.

Tax relief is also available for veterans through a local veteran exemption offered through the Town. There is no age requirement and applications must be filed by May 15, 2019.

To qualify, honorable discharge papers (DD-214) must have been filed with the Town Clerk's office by Sept. 30, 2018. The maximum income for this program is \$61,000 for a single person or \$68,900 for a married couple.

Ancestry.com Solves Family Mystery, Inspires Book

Ana Aurea was swept away from a tiny agricultural village in Puerto Rico to a crowded snow-covered urban street in Hartford on her wedding day in January 1952. She endured a long, painful struggle to establish her true identity as the daughter of a wealthy Puerto Rican sugarcane plantation owner.

Years later, Ana's daughter, Madelyn Colón, used Ancestry.com (at the public library) to unravel her family's mysteries. Her research prompted her to write her mother's story, *Ana Aurea: The Story of Ana Garnier Colón*.

Ana Aurea is part gripping mystery, part loving memoir about race and class, capturing both Hartford and Puerto Rico at a tumultuous time of economic and cultural change. Madelyn will visit the library on Wed., Feb. 6 at

7 pm and will share her research and writing process, including her use of Ancestry.com. More of Ana's story will be revealed, and copies of her book will be available for purchase and signing. Please register online or at the library.

Discover the clues to help solve your family mysteries with Ancestry Library Edition, available in the library on the public computers. One of the largest online family history resources available, it provides unprecedented access to family history via documents that record the lineage of individuals from the United States, Canada, the United Kingdom, Europe, Australia, and more.

Please stop by the information desk with questions or for assistance with this valuable tool!
