April Activities & Events

As April arrives, our thoughts turn naturally to the season of renewal. Woodbridge has so many outdoor experiences to enjoy! I hope you and your family will have a chance to get out and about as the weather begins to warm up.

Below you will see information about our annual Rid Litter Day celebration – I hope to see you there! We are also preparing information regarding changes that will be coming to our Transfer Station this summer – please stay tuned.

Another annual occurrence, Bethwood Baseball League recently made a donation to the Town to help cover the cost of maintaining ball fields. We are thankful for this continued community-funded support, and look forward to the start of the spring sports season for the boys and girls of Woodbridge. As our athletic fields come alive with activity, please be mindful of traffic entering and exiting field areas on Center Road, Pease Road, Acorn Hill Road and in the West River Fields area.

Flooding Concerns in the West River Neighborhood

The saying “April showers bring May flowers” reminds us that Spring is also a season of increased rain storms. Due to global weather patterns, we have experienced more intense storms and must build resiliency to protect against this

increasing risk for storm-related damage. We are making progress in pursuing federal and state funding to address flooding conditions especially in the West River area of Town.

Congresswoman Rosa DeLauro visited Woodbridge on March 20 to discuss our Hazard Mitigation plan and tour flood-affected areas. We have now followed up with the Army Corps of Engineers to request a study of this area and I have asked both our federal and state delegations to support this request.

I am grateful that area residents, business owners, and members of local environmental groups (the West River Watershed Coalition and Save The Sound) were on hand to talk with us at the river’s Bradley Road crossing. Community input and support is so important as we pursue funding to cover costs of both the planning phase and the work that might be done to alleviate flood-related hazard conditions impacting our Town. I will continue to keep everyone informed and welcome your thoughts, as always.

Rid Litter Day

Join your neighbors to help celebrate Earth Day at the annual Rid Litter Day event on Sunday April 28 from 11 am to 1 pm at the Town Green (opposite Town Hall).

You’re invited to stop by the Green to pick up a trash bag and map for an area of town where roadside litter can be collected. Pick a road or intersection of your choice, or we will assign you a location the day of the event. All trash bags will then be picked up by Woodbridge DPW crews and disposed of at the Transfer Station.

There will also be informational tables to help you learn how to reduce, reuse and recycle. More information will also be available about changes coming to the Woodbridge Transfer Station this summer.

Get a jump on your spring cleaning and plan to bring your household’s obsolete confidential/financial papers for secure

disposal at a Paper Shredding truck we will have at the event (for residents only, no businesses, please). You can also do your part to help prevent prescription drug abuse by cleaning out your medicine cabinet and bringing your expired, unused or unwanted medications to the prescription drug take-back box which will also be available the day of the event in the Police Department’s lobby (entrance off the Town Green).

“I’d like to thank the Ad Hoc Community Council and Sustainability Committee for organizing an expansion of this important community event to beautify our town and help the environment,” said First Selectman Beth Heller.

We ask that drivers be extra careful while driving in Woodbridge on Sunday April 28 since there will be people picking up trash on the side of the road. Participants are asked to wear bright colors and wear their own work gloves.

The ProAct Prescription Discount Card Program: The ProAct Prescription Drug Discount Card Program helps residents save money on their prescription medications any time their prescriptions are not covered by insurance. Extra discount cards are available at Town Hall and may be used at any participating retail pharmacy. Town residents may also print a card by visiting CTRxDiscountCard.com.

A Letter from the Library and the Friends of the Library

Dear Woodbridge Community,

Thank you for all of the support over the past few months as we prepared for another Mini-Golf event. The Library staff and Friends were amazed with the response from the community—both residents and businesses. We feel fortunate to be working and/or living in a town that supports and cares about its library—and it showed in so many ways.

Thank you to all of the hole sponsors who made playing the game itself possible! Thank you to the businesses that gave food and drink—Friday night was a blast especially because of the celebratory atmosphere at the “Nineteenth Hole.” Thank you to the volunteers—those who gave their time and their labor to decorate, set up, run errands...and so much more!

The biggest thank you goes to all of the Mini-Golf players. We could not have had such a successful weekend without those who came out and spent time here. Whether it was as a date night or following your kids around the building, your presence and enthusiasm were enjoyed.

We hope to see you again in the months to come. Your support is always welcome—whether through book donations for the Friends’ Bookstore Alley, attending programs, checking out items in person or digitally, or just stopping in to flip through a magazine—all of these things matter.

With appreciation and gratitude,

*-The Staff of the Woodbridge Town Library
-The Friends of the Woodbridge Library*
