Fall Fun and CCW Proposal Q & A Information

Please join me as we celebrate “All Things Woodbridge” with Fallapalooza, a series of fun fall events during October. It kicks off with the Living Treasure Award Dinner on Oct. 2 and ends with a bang at the Woodbridge Volunteer Fire Association’s annual Truck or Treat event with safe, fun trick or treating at the Fire House and spooktacular fireworks on Halloween.

Recreation will again run their annual Road Race on Oct. 5, and the Massaro Community Farm will host a Shakespeare play on Oct. 5 and 6. The JCC invites everyone to an open house with crafts, farm animals, open swim and an open climb on Oct. 6. The Woodbridge Town Library gets creepy with a ghost hunter on Oct. 8 and a live reptile show on Oct. 26.

Over the weekend of October 18-20, the First Church of Christ will host the second annual Arts and Music Festival with an art show, live music, dance and crafts for kids during the day and a square dance at night in the Center Building gym. Woodbridge Trails Day is also on Saturday Oct. 19: There will be a short Family Hike with a ceremonial tree planting at Fitzgerald Field and a more challenging hike. Both hikes start at 9 am. There will also be a shredding truck at the Center Building parking lot on this day.

Progressions Salon’s annual Pampered in Pink fundraiser is Oct. 26. Details for all these wonderful events are on the Town website at WoodbridgeCT.org/Fallapalooza.

Also this month residents will be invited to get answers to their questions about the proposal to develop a portion of the former Country Club of Woodbridge.

I have asked Insite Design and their new partner, Wernert Construction, to visit many of the Town’s boards and commissions during October to do a Q & A presentation for

members and the public. Once the schedule is finalized we will post it on the Town website.

I believe this is an important and worthy project for the Town. Every year it costs the Town almost half a million dollars to repay the money we borrowed to buy the former Country Club property. In these tight financial times that money could be used elsewhere.

The proposal is for the Town to sell approximately 60 of the 155 acres for \$5.4 million for construction by Insite/Wernert of no more than 120 units of free-standing active adult (55+) housing. Additionally, Insite/Wernert will remove the old clubhouse, renovate the Town

pool and build a new pool house, both for Town use. The Town will retain approximately 95+/- acres for residents use.

Proceeds from the sale will pay off the debt, saving \$500k every year, and the housing will generate \$1.5M in additional property taxes once the project is finished. That’s real money that could reduce our mill rate and bring relief to taxpayers.

I will ask the Board of Selectmen to schedule a Special Town Meeting for late October or early November and I anticipate a referendum will be scheduled shortly thereafter.

As I have stated many times, I believe this important matter should be decided at referendum so everyone will have the opportunity to vote. Let’s let the voters decide!

Lastly I’d like to congratulate Administrative Officer and Director of Finance Tony Genovese whose office has once again earned the Certificate of Achievement for Excellence in Financial Reporting from the national nonprofit Government Finance Officers Association (GFOA) for fiscal year 2018.

Woodbridge Business News

New Business Moves to Woodbridge

Lifetouch recently moved to Woodbridge from Seymour. Lifetouch focuses on school photos and is a national company with offices in every state and Canada. During the school photo season, which runs September through November, the local office employs 60-65, and there are 10 full-time, year-round employees.

Lifetouch works with about half of the K-8 schools in the state. Lifetouch’s previous office was in a house in Seymour and Territory Sales Manager Peter Wright says the company needed more space, wanted to be in a one-story office and needed convenient highway access.

Crest Breaks Ground on New Design

First Selectman Beth Heller visited the Crest Lincoln of Woodbridge dealership recently to see plans for the dealership’s new showroom.

The building will be modified to Lincoln Motor Company’s new design standards. Local architect Jay Alpert created the plans. The dealership will remain open during construction.

“Once we’re done this will be a leading-edge showroom, almost a museum space,” said owner Dick Fitzpatrick. It is expected that the project will be completed in late winter/early spring of 2020.

Biggest Little Farm

Thursday, October 3 at 7 pm; 91 minutes, PG

A testament to the immense complexity of nature, *The Biggest Little Farm* follows two dreamers and a dog on an odyssey to bring harmony to both their lives and the land. When the barking of their beloved dog Todd leads to an eviction notice from their tiny LA apartment, John and Molly Chester make a choice that takes them out of the city and onto 200 acres in the foothills of Ventura County, naively endeavoring to build one of the most diverse farms of its kind in complete coexistence with nature.

Pavarotti

Thursday, October 10 at 7 pm; 114 minutes, PG-13

A riveting film that lifts the curtain on the icon who brought opera to the people. Academy Award winner Ron Howard puts audiences front row center for an exploration of the voice, the man, the legend. Luciano Pavarotti gave his life to the music and a voice to the world. This cinematic event features history-making performances and intimate interviews, including never-before-seen footage and cutting-edge Dolby Atmos technology.

Framing John DeLorean

Thursday, October 17 at 7 pm; 109 minutes, NR

Framing John DeLorean recounts the extraordinary life and legend of the controversial automaker, tracing his meteoric rise through the ranks of General Motors, his obsessive quest to build a sports car that would conquer the world, and his shocking fall from grace on charges of cocaine trafficking. Interweaving a treasure trove of archival footage with

dramatic vignettes starring Alec Baldwin, *Framing John DeLorean* is a gripping look at a man who gambled everything in his pursuit of the American Dream.

Whitney

Thursday, October 24 at 7 pm; 120 minutes, R

Whitney Houston broke more music industry records than any other female singer in history. With over 200 million album sales worldwide, she was the only artist to chart seven consecutive U.S. No. 1 singles. She also starred in several blockbuster movies before her brilliant career gave way to erratic behavior, scandals and death at age 48. Using never-before-seen archival footage, exclusive demo recordings, rare performances, audio archives and original interviews with the people who knew her best, this film unravels the mystery behind the life of Whitney Houston.

After Auschwitz

Thursday, October 31 at 7 pm; 83 minutes, NR

After Auschwitz is a "Post-Holocaust" documentary that follows six extraordinary women, capturing what it means to move from tragedy and trauma towards life. These women all moved to Los Angeles, married, raised children and became "Americans" but they never truly found a place to call home. What makes the story so much more fascinating is how these women saw, interpreted and interacted with the changing face of America in the second half of the 20th century. They serve as our guides on an unbelievable journey, sometimes celebratory, sometimes heart breaking but always inspiring.

itate on-going art exhibits. Most of the funding for these projects was provided by a State Dept. of Housing grant, a One of Kind Foundation grant, an Area Agency on Aging grant, and The Woodbridge Center's fundraising dollars.

Upgrades to The Center are already improving access, convenience and comfort for residents. Stop by to see for yourself!
