August News and Activities

I'm excited to share some good news with you: Recently the Town of Woodbridge received a credit opinion from Moody's Investor Services. The Town continues to be rated as Aaa, and the report says that Woodbridge "benefits from a stable financial position, supported by reliable property tax revenues, conservative budgeting and low fixed costs. The Town's tax base is somewhat limited, but resident income and wealth levels are very strong. Long-term liabilities are manageable." We thank both our Finance Director Tony Genovese and our Board of Finance members for their expert, thoughtful contributions to reducing our budget this year, and their vigilance and diligence as we go through our town budget process every year.

We are all aware of our "somewhat limited" tax base. That's why I recently announced the 2030 Task Force which will work on ways to grow and diversify our Grand List and make sure our Town remains fiscally stable.

I am asking the 2030 Task Force for a comprehensive, big picture plan to move forward into the next decade. We also need to continue to seek ways to become more attractive to new businesses, help our current businesses grow and succeed, and diversify our housing stock. I envision this committee recommending new policies, possibly making recommendations to our zoning regulations, a marketing campaign, capital infrastructure and other ideas that they might think would help our Town grow the tax base.

I am also working to create a committee to examine Equity and Diversity in Woodbridge. Following the Black Lives Matters rally and walk in June, I was moved to action to look at ways to make Woodbridge a more welcoming, equitable and diverse town. I hope to announce the membership of that group at the Board of Selectmen's August meeting.

In late July I participated in a Community Conversation with author Ed Gordon titled *Activism: How to Stand Up and Enact Meaningful Change*. We had a great conversation and

the Ad Hoc Community Council, which organized the event, plans to hold additional events this year focusing on diversity, inclusion, and collaboration. If you weren't able to participate, you can see a recording of the event on the Town website.

Our playgrounds, playing fields and tennis courts are open as well as the dog park. Please be sure to ALWAYS wear a mask and stay at least 6 feet apart from others. Our facilities are not sanitized so remember you are using them at your own risk.

Town offices, although still closed to the public, continue to provide excellent service to folks from a distance, keeping both residents and staff safe.

Despite the pandemic (or perhaps due to it), you have probably noticed that homes are selling very quickly now and you may have new neighbors. If so, please share with them the Welcome to Woodbridge packet on the Town's website (woodbridgect.org) under the "Community" section. Please also be sure to sign up for the Town's newsletter and share the link with others: tinyurl.com/WoodbridgeEnewsletter.

All board and commission meetings continue to be held virtually. The Town calendar (woodbridgect.org/calendar) lists all the upcoming board and commission meetings and meeting agendas. On each agenda is an explanation as to how to participate virtually in a meeting—either via a link or by watching on WGATV channel 79 or YouTube.

Despite the very positive news that the pandemic seems to be subsiding in Connecticut, I urge you to continue to remain cautious. Please continue to stay home as much as possible, wear your mask and wash your hands frequently, especially if you are in the over 65 population and/or vulnerable for other health reasons. My goal has been, and will continue to be, to keep Woodbridge safe!

As always, my door is virtually open to you. If you need to reach me please call 203-389-3401 or email me at bheller@woodbridgect.org.

— *First Selectman Beth Heller*

New! Register for Outdoor Activities

The Town's Human Services, Library and Recreation Departments have teamed up to provide socially distanced outdoor programming underneath canopies on the Library lawn during the pandemic.

All outdoor programming will require registration—space is limited. Masks are required and social distancing will be enforced.

Visit the Town's online calendar—

woodbridgect.org/calendar—to see details for upcoming programming or visit the respective department's web pages. Weather may cancel.

It is anticipated that the canopies will be up from August to November. One canopy will be on the Library lawn near Newton Road. The other will be in "the Grove" between the Library and Old Firehouse. A porta-potty will be on site for program attendees.

Fire Department Burn Safety

Summer is a time for fun, but the Woodbridge Fire Department warns residents to be cautious when using fireworks, grills, and other potentially dangerous materials. Here is everything you need to know about keeping your family and home safe this summer!

Summer is the time to enjoy vacations, camping, and picnics; however, summertime also brings fires and burn injuries due to fireworks and outdoor cooking. Know how to prevent a burn while you enjoy outdoor activities:

- Wear short sleeves or roll them

up when cooking on the grill.

- Use long-handled barbecue tools.
- Keep a three-foot safe zone around grills, fire pits and campfires.
- Attend public fireworks displays; this leaves the lighting to the professionals.
- First aid for burns:
 - Place the burn in cool water for three to five minutes.
 - Cover the burn with a clean, dry cloth.
 - See your doctor if the burn is larger than your palm.

Sand Volleyball Anyone?

The Sand Volleyball Court at 50 Woodfield Drive is now open. Use of the court requires a permit available through the Recreation Office. Residents may take out a permit for group use.

COVID-19 safety rules must be followed while using the Town athletic

court including the use of masks and six feet social distance protocol. Court net and lines are not sanitized—use at your own risk. Players must bring their own volleyball.

To obtain a permit, call 203-389-3446 or email
