For purposes of clarification the following positions are excluded from this bargaining unit: Superintendent's Administrative Assistant, the Payroll & Benefits Coordinator, the Cafeteria Supervisor, the Facilities Manager, teachers, teacher assistants, bus drivers, nurses, and all managerial and/or supervisory professional employees of the school district.

For purposes of this Agreement "part-time" shall refer to employees regularly scheduled to work at least twenty (20) but less than thirty (30) hours per week and "full-time" shall refer to employees regularly scheduled to work thirty (30) hours per week or more.

For purposes of this Agreement within the clerical department, "part-time" shall refer to employees regularly scheduled to work at least twenty (20) but less than thirty (30) hours per week. "Full-time" shall refer to employees regularly scheduled thirty (30) hours per week or more.

"Fill-in" shall refer to employees who do not have regularly scheduled work assignments but are used as needed to cover unit absences.

ARTICLE II – UNION MEMBERSHIP AND CHECKOFF

Section 1 – Union Membership

All employees covered by this Agreement who elect to join the Union after a period of ninety (90) work days or more shall sign and deliver to the Union, if they have not already done so, an authorization for the payroll deduction of membership dues of the Union. Said authorization shall continue in effect unless the employee notifies the Board and the Union in writing that he/she no longer authorizes deduction of membership dues of the Union.

Section 2 – Checkoff

The Board agrees to deduct from the pay of all bargaining unit members the dues and initiation fees of the Union and agrees to remit to the Union all such deductions by the 10th of the month following the month for which the deduction is made. Union dues shall be deducted in 24 equal payments from the first 2 paychecks per month commencing with the first paycheck in July. Written authorization is to be furnished by the employee in the form required. No deduction shall be made which is prohibited by applicable law. Where a bargaining unit member who is on checkoff is not on the payroll during the week during which the deduction is made, the deduction will be made in the next payroll period.

Section 3 – Indemnification

The Union agrees to indemnify and to save the Board harmless from any and all claims or demands, including reasonable attorney's fees, which may be made against the Board arising out of an action taken against the Board under any of the Sections of this Article. Any funds remitted to the Union by the Board pursuant to the provisions of this Article shall thereafter become the sole and exclusive obligation and responsibility of the Union.

ARTICLE III – MANAGEMENT RIGHTS

Subject to the provisions of this Agreement, the Board shall be exclusively privileged to exercise all the customary rights and functions of management, except those that are expressly restricted or limited under terms of this Agreement. Management privileges shall include, without limitation, the right to:

- 1) hire new employees and establish and direct their working functions;
- 2) demote (disciplinary), discipline, suspend or discharge for just cause;

- 5) decide the work schedules and the hours employees may be required to work to meet school needs;
- 6) Subcontracting. The Board may subcontract bargaining unit work presently performed or hereafter assigned to the bargaining unit employees as long as all available employees with seniority rights are actively at work and the work involved cannot be performed at a later date.

ARTICLE IV – PAST PRACTICES

Section 1

Past practices shall be maintained by the Board. The parties, for the life of this Agreement, voluntarily and unqualifiedly waive the right, and agree that the other shall not be obliged to bargain collectively with respect to any subject matter which is specifically referred to or covered in this Agreement and all subjects over which the parties negotiated during the negotiations which formed this Agreement.

Section 2

Subject to the terms of this Agreement, all work of the bargaining unit shall be performed exclusively by employees in the classifications of work covered by this Agreement.

ARTICLE V – OFFICERS AND STEWARDS

The Board recognizes the right of the Union to designate Union officers and stewards. It is agreed that officers and stewards shall perform all full time work as is assigned by the Board and his or her time away from work investigating, presenting and adjusting grievances will be kept to a minimum. Before leaving work assigned to handle union matters of this nature, the officer or the steward shall be given authorization by the Superintendent or his or her designated representative who shall act in the absence of the Superintendent.

The authority of an officer or steward so designated by the Union shall be limited to and shall not exceed the investigation and presentation of grievances in accordance with the provisions of the collective bargaining Agreement.

The officers and stewards shall be allowed to utilize the School District's internal mail system for the transmission of messages and information which originate with, and are authorized by the Union or its officers.

Officers and Stewards shall be permitted to investigate, present and process grievances on the property of the Board without loss of time or pay. Such time spent in handling grievances shall be considered working hours in computing daily and/or weekly overtime.

ARTICLE VI – NO STRIKE/NO LOCKOUT

The Union will cooperate fully with the Board in maintaining operations in the Woodbridge School District. No employee shall limit or attempt to limit the production or efficiency of himself/herself or any other

employee.

The Board will not engage in any lock out during the term of this Agreement.

Neither the Union nor any employee may dispute through the grievance or arbitration procedure the disciplinary action imposed on any employee for violation of this article of the Agreement.

The Union will not authorize, sanction or support any violation of this Agreement.

ARTICLE VII – DISCIPLINE

Section 1

The Board shall not discipline any employee without just cause. In all cases involving the discipline of an employee, the Board must notify the employee in writing of his/her discipline and the reason therefore.

Section 2

Disciplinary actions shall normally be progressive and include: (a) a verbal warning, (b) a written warning, (c) suspension without pay and/or a final written warning, and (d) discharge, although it may include demotion or other disciplinary actions. It is not the intent of the parties that all discipline will follow the order or steps cited above. It is the intent of the parties that whatever the disciplinary action, such action shall be consistent with Section 1 of this Article.

Section 3

Any employee discharged must be paid in full for all wages owed him/her by the Board, including earned but unused vacation, if any, by the close of the next scheduled business day.

Section 4

A discharged or suspended employee must advise the Union and Superintendent or his or her designee in writing, within ten (10) working days after receiving notification of such action against him or her, of his or her desire to appeal the discharge or suspension. Filing of a timely grievance in accordance with the grievance procedure will constitute notice of appeal pursuant to this section.

ARTICLE VIII – GRIEVANCE PROCEDURE

Section 1

A grievance is hereby jointly defined to be any controversy, complaint, or dispute over a

specific term or terms of this Agreement.

Any grievance arising between the Board and the Union or an employee represented by the Union shall be settled in the following manner:

Step 1: The grievant(s) and a Union officer or steward shall submit a written grievance directly with the immediate supervisor within ten (10) working days of the incident giving rise to the grievance. The supervisor must respond to the grievance within three (3) working days. If a satisfactory settlement is not affected with the supervisor within the three (3) working days, the Union officer or steward and grievant(s) may move the grievance to the next step of the grievance procedure. The failure of the supervisor to respond within three (3) working days shall be deemed a denial.

Step 2: Should a grievance fail to be resolved at Step 1, the Union officer or steward and grievant(s) shall present the grievance in writing to the Superintendent or his or her designee who has the authority to act upon such grievance within five (5) working days of the Union's receipt of the supervisor's Step 1 response or the expiration of the three (3) days he/she has to respond, whichever is later. The Superintendent's or his or her designee's written response must be presented to the Union within five (5) working days of the employer's receipt of the Step 2 written grievance. The failure of the Superintendent to respond within five (5) working days shall be deemed a denial.

Step 3: Should grievances fail to be resolved by the Superintendent or his or her designee, appeal must be presented in writing and in person to the Board within five (5) working days of the Superintendent's or his or her designee's decision expiration of the five (5) days he/she has to respond, whichever is later. The Board must respond with a written decision to the grievance within five (5) working days of the Board meeting during which the matter is considered. The failure of the Board to respond within five (5) working days of the Board meeting shall be deemed a denial.

Step 4: If no satisfactory settlement can be agreed upon, either party has the right to give notice of intention to file for arbitration. Such notice to go to arbitration must be in writing and submitted to the other party within twenty (20) working days of receipt of the Board's Step 3 written decision, or expiration of the five (5) days it has to respond, whichever occurs first. Both parties shall select a mutually agreeable and impartial Arbitrator within ten (10) working days of the written notice for arbitration. In the event they are unable to so agree, the matter shall be referred to the Connecticut State Board of Mediation and Arbitration on the eleventh working day. Alternatively, if mutually agreed to by both parties, the matter may be referred to the American Arbitration Association within the same time period. The expense of the Arbitrator selected or appointed shall be borne equally by the Board and the Union.

Section 2

Employees may have an officer or steward and/or a representative of the Union present during the discussion of any complaint or grievance with representatives of the Board.

Section 3

The Union may initiate a grievance at Step 2 within five (5) working days after it knew or should have known of the grievance.

Section 4

The parties may mutually agree to extend any time limits detailed in this Article.

Section 5

The Arbitrator shall not have the authority to amend or modify this Agreement or establish new terms or conditions under this Agreement. The Arbitrator shall determine any question of arbitrability. In the event the position of the Union is sustained, the aggrieved party shall be entitled to all benefits of this Agreement which would have accrued to him or her had there been no grievance, less all wages and benefits received in the interim, including unemployment compensation.

Section 6

Except as otherwise provided under Section 52-418 of the Connecticut General Statutes, both parties agree to accept the decision of the Arbitrator as final and binding.

ARTICLE IX – EMPLOYING NEW MEMBERS OF THE BARGAINING UNIT

Posting Positions – Notice of vacancies which are to be filled and/or new positions within the bargaining unit shall be e-mailed to all employees covered by this Agreement. Such notice shall be posted for five (5) working days. Any employee interested in the position posted must apply, in writing, to the Superintendent of Schools within the posting period. Applicants shall be interviewed and the Superintendent shall select the applicant most qualified to fill the position.

ARTICLE X – SENIORITY, LAYOFF, RECALL, BUMPING, AND TRANSFERS

Section 1

Bargaining unit seniority is defined as the total length of unbroken service with the Board starting from the date of last hire. It shall be deemed to include any seniority presently held by an employee.

Classification seniority is defined as the total length of service within the employee's job

classification. Each employee shall be considered to be within one of the following three classifications: Food Service, Clerical, and Custodial.

The Board shall provide the Union annually with a seniority list of each bargaining unit member's district-wide and classification seniority.

All new employees shall be hired on a ninety (90) calendar days' trial basis and shall work under the provisions of this Agreement, within which time they may be dismissed without grievance by the Union and without the employee having recourse to the grievance or arbitration procedures of this Agreement. However, the Board may not discharge or discipline for the purpose of evading this Agreement or discriminating against Union members. After the ninety (90) calendar days' trial period they shall be placed on the seniority list beginning on their first day of continuous employment with the Board.

In case of discipline within a trial period, the Board shall notify the Union in writing.

Employees, in order of their bargaining unit seniority, shall have preference:

- (1) To work opportunity in the event of layoff for the lack of work;
- (2) To recall to work after layoff.

New hire probationary employees shall be reduced, displaced and laid off prior to any permanent employee being reduced, displaced or laid off.

Reductions, displacements or layoffs of permanent bargaining unit employees shall occur within the department in order of inverse seniority, i.e. least senior first.

Prior to being laid off and placed on recall, a bargaining unit employee may fill a vacant position in another department provided the employee is qualified to perform the work.

No new employee shall be hired to perform bargaining unit work within the affected department while bargaining unit members are on recall from the affected department.

Section 2

(a) Seniority shall be broken only by:

- (1) discharge for just cause;
- (2) voluntary quit;
- (3) failure to respond to a notice of recall from layoff for regular work within fourteen (14) calendar days after receiving notice;
- (4) unauthorized failure to report for three (3) consecutive days when working and on the seniority list, without good cause;

- (5) layoff for twenty-four (24) consecutive months; or
- (6) absence due to a proven illness or injury for a period of twenty-six (26) months, or more.

ARTICLE XI – PAYROLL PERIOD

The payroll period shall run from 12:01 a.m., Thursday, to midnight, Wednesday, inclusive with payday on the eighth day following the close of the pay period. Each employee shall be provided with a statement of gross earnings and an itemized statement of deductions made for any purpose each pay period. When the regular payday occurs on a holiday or day celebrated as such, the Board may pay the employees on the regular workday immediately preceding the holiday, but in no event later than the next working day following the holiday. The Superintendent or his or her designee reserves the right to annually establish a fiscal bi-weekly payroll schedule for purposes of time recording and pay distribution.

ARTICLE XII – WAGES AND HOURS OF WORK

Section 1 – Wage and Salary Schedules

Each current employee shall receive general wage increases to their current hourly rate on July 1st in each year of the new Agreement, as set forth in Appendix A.

The Board shall annually appoint once per fiscal year an individual to serve as a non-supervisory Lead Custodian who shall receive a stipend of \$1.00 per hour.

Food Service: Any food service employee who agrees to substitute for the cafeteria supervisor shall receive an additional \$2.50 per hour while assuming the responsibilities of that position. The employee shall receive an additional \$2.50 per hour to their hourly rate for the hours they substitute for the Supervisor.

Food Service employees holding a certificate as a certified professional food manager shall receive an additional fifty-cents (\$0.50) per hour.

When the Facilities Manager is out of work for one full day or more, the day custodian shall receive three dollars (\$3.00) per hour differential for hour(s) during which he/she is specifically required by the Director of Business & Operations, and/or the Superintendent, to perform any required duties of the Facilities Manager.

Section 2 – Work Day and Work Week

It is recognized by the parties to this Agreement that the Board is entitled to a fair day's work for a fair day's pay. The Union, in accepting this principle, recognizes the Board's obligation to its students and the public to require employees to perform efficiently and to meet reasonable standards of performance.

Section 3 – Overtime

Work hours in excess of eight (8) hours per day or forty (40) hours per week will be paid at a rate of one and one-half (1 1/2) times the employee's base hourly rate.

Work performed on paid holidays will be compensated at two (2) times the employee's base hourly rate.

Work performed on Saturdays which is not part of an employee's regular work schedule will be compensated at one and one-half (1 1/2) times the employee's base hourly rate.

Work performed on Sundays which is not part of an employee's regular work schedule will be compensated at two (2) times the employee's base hourly rate.

Saturday and Sunday work of no more than eight (8) hours per day which is part of an employee's regular work schedule will be compensated at the employee's base hourly rate.

Employees required to work on a sixth or seventh day in a week shall be paid at the applicable premium hourly rate of pay.

Overtime for Custodians will be assigned according to a seniority rotation list. The procedure will be as follows: If a person is called for overtime and is not at home or cannot be reached, his or her name remains at the top of the list for the next call. If however the person at the top of the list declines the work, his or her name will be placed at the bottom of the rotation list. Once a person has been called in for overtime and agrees to work, his or her name goes to the bottom of the list. Alarm calls are handled separately from overtime calls (see Article XII, Section 9).

Section 4 – Early Call-Ins

Full-time employees ordered to report for work before their starting time shall be guaranteed their regular hours of work or pay in addition to the time worked before their starting time.

Section 5 – Regular Work Day Guarantee

Any full-time employee who reports to work as scheduled shall be guaranteed, at minimum, his/her regular daily hours of work or pay.

Section 6 – Transfers

The Board may transfer or assign employees to other jobs within the department when unusual conditions or emergencies necessitate it. If any full-time or part-time custodian is transferred or assigned to the night shift, the employee shall receive the night shift salary.

Section 7 – Work Schedules

A definite reporting time and working schedule covering all employees shall be established by the Board. When New Year's Eve falls on a scheduled day of work for custodians, custodial work schedules will be adjusted by administration to end no later than 6 p.m.

Section 8 – Night Shift

Night shift is defined as an eight-hour day that begins at or later than 2:00 p.m.

Section 9 – Alarm Calls

If a full-time or part-time employee is responding to an alarm call outside of his or her regular scheduled work hours, the employee will be compensated at their overtime rate for day or night, dependent upon when the call is received. If an alarm call is received on a paid holiday or a Sunday, compensation will be at two (2) times the employee's base hourly day or night rate dependent upon when the call is received. A minimum of four (4) hours will be paid in either case.

An alarm call list will be established each July 1st by the Director of Business & Operations with the alarm company to reflect a rotation of custodians to be called. The school district may include supervisors/administrators to the bottom of the list for security/safety reasons in the event a custodian may not be reached when called by the alarm company.

ARTICLE XIII – VACATIONS

Section 1 – Full-Time Staff

Full-time employees scheduled to work at least two hundred and twenty-five (225) days per fiscal year and 30 hours or more per week (usually referred to as twelve (12) month employees) are entitled to vacation as follows:

1. After one (1) year of employment – 2 weeks (10 Days);

2. After seven (7) years of employment – 3 weeks (15 Days);
3. After fifteen (15) years of employment – 4 weeks (20 Days)

Section 2 – Part-Time Staff

Commencing July 1, 1999, part-time eleven (11) and twelve (12) month employees who are regularly scheduled to work in excess of 1,000 hours per fiscal year, and have worked for the Board for more than twelve (12) months shall begin accruing vacation time. The rate of accrual shall be in proportion to the hours the part-time employee actually works as compared to a full-time employee. Thus, a part-time employee who is paid for 1000 hours in a given fiscal year (compared to a full-time employee works 2080 hours) shall accrue 48% of the vacation allowances set forth in sub-Section 1, above. Part-time food service employees do not receive paid vacation leave.

Section 3 – Vacation Time Accrual

Employees will accrue vacation days at the rate of 1/12 of their entitlement per full month employment. Credit will be granted for accrued vacation days on the 1st of the following month.

Employees are allowed to accumulate and carry up to three (3) vacation days from the current fiscal year through July of the subsequent fiscal year.

Vacation days will not accrue during periods of unpaid leave, except where required by law. The Board will maintain its past practices regarding vacation eligibility and vacation years. Except as set forth in Section 4 below, no vacation time will be granted until it has been earned.

Section 4 – Vacation Time Usage

Employees may draw against their annual vacation time at the start of the fiscal year subject to approval by the Superintendent and provided that they sign a form to be provided by the Board authorizing the Board deduct from the employee's final pay the value of vacation days advanced which have not yet been accrued at time of termination. Should the employee leave the employment of the Board for any reason, vacation days taken, but not accrued, shall be refunded to the Woodbridge School District at the employee's per diem rate upon termination. The employee will be entitled to payment at their per diem rate for any accrued vacation days which have not been used at the time of separation.

Vacation as posted and either bid for or assigned must be taken between July 1st and June 30th of each year. Any accrued vacation which is not taken by June 30th shall be lost, unless the employee, for good reason shown, is granted permission in writing by the Superintendent or his or her designee to carry over vacation time into the next year.

Section 5 – If the Board finds it desirable to grant a vacation to all employees during a specific time established in June, July and/or August, it may do so.

Section 6 – Upon discharge by the Board, or quit by the employee, earned vacation time and pay shall be included in all final wage payments. In case of a death of an employee who has earned but unused vacation time, vacation pay due such an employee shall be paid to the employee's spouse, if the employee is married; otherwise, it shall be paid to the employee's estate.

ARTICLE XIV – HOLIDAYS

Section 1 – The recognized paid holidays are set forth below. All full-time employees shall receive holiday pay equal to eight (8) hours pay at their base hourly rate. All part-time employees shall receive holiday pay on a pro-rata basis.

Section 3 – The Board shall not compel any employee to work on a holiday which falls on the employee's regularly scheduled day off, except in cases of emergencies. Employees required to work on a paid holiday shall be paid the applicable premium hourly rate of pay in addition to holiday pay.

Section 4 – A holiday occurring during an employee's vacation week will be counted as a

ARTICLE XV – LEAVES

Section 1 – Bereavement Leave

In the event of a death in the employee's immediate family, defined as father, mother, sister, brother, son, daughter, husband and wife, or grandchild, it is recognized that the employee may need time off to attend the funeral services. A leave of absence will be granted for a period of up to five (5) days. Up to three (3) days shall be allowed off in the case of the death of the employee's grandparent, mother-in-law, father-in-law, sister-in-law, and brother-in-law. When these days fall within the employee's regular work schedule, the Board will pay to the employee their straight-time pay for their scheduled hours. In the event of a death of the employee's niece or nephew, aunt or uncle, it is recognized that the employee may need time off to attend the funeral services. A leave of absence will be granted for the day of the funeral. When this day falls within the regular work schedule of the employee, the Board will pay to the employee their straight-time pay for their scheduled hours. In the event of a death of another individual of importance to the employee, the Superintendent may grant bereavement leave in his/her sole discretion.

Section 2 – Sick Leave

(a) Full-Time Employees

For full-time employees, absence with pay will be allowed for fifteen (15) days each fiscal year, granted and earned at the rate of 1 1/4 days per month with credit being given on the first day of the following month. Unused sick leave may be accumulated up to one hundred and twenty (120) days. Sick leave will not accrue during periods of unpaid leave, except where required by law.

A maximum of five (5) days of sick leave per fiscal year may be used by a staff member to cover immediate family illness. Immediate family is defined as mother, father, sister, brother, child, grandparent, grandchild or spouse. In the event of illness of another individual of importance to the employee, the Superintendent may grant family illness leave in his/her sole discretion.

(b) Part-Time Employees

For twelve-month part-time employees, absence with pay will be allowed for six (6) days each fiscal year, granted and earned at the rate of one-half (1/2) day per month with credit being given on the first day of the following month. For eleven-month part-time employees, absence with pay will be allowed for six (6) days each fiscal year, granted and earned at the rate of five-thousand-four-hundred-and-fifty-four-ten-thousandths (.5454) of a day per month with credit being given on the first day of the following month. For ten-month part-time employees, absence with pay will be allowed for ten (10)

days each fiscal year, granted and earned at the rate of one (1) day per month with credit being given on the first day of the following month. For all part-time twelve and eleven month employees, unused sick leave may be accumulated up to thirty (30) days. For food service employees, unused sick leave may be accumulated up to forty-five (45) days. Food service employees can receive a payout of unused sick days not to exceed 11.25 days upon death or retirement. Sick leave will not accrue during periods of unpaid leave, except where required by law. Notwithstanding that sick leave accrues monthly, the Board shall advance the full annual sick leave allotment to any employee who is ill and has exhausted all his/her sick leave, included accumulated sick leave; provided, the Board may deduct the value of unearned but advanced and used sick leave from the employee's final paycheck in the event their employment is terminated before they have earned the days used.

A maximum of five (5) days of sick leave per fiscal year may be used by an employee to cover immediate family illness. For the purposes of this section only, immediate family is defined as mother, father, sister, brother, child, grandparent, grandchild or spouse. In the event of illness of another individual of importance to the employee, the Superintendent may grant family illness leave in his/her sole discretion.

The Board retains the right to request a physician's certification that the employee is fit to return to work prior to the employee returning to work. Such physician's certificate shall be in a form acceptable (i.e. primary care physician) to the Department Head, Building, and/or District Administrator(s) and shall be furnished by the employee at his/her own expense for frequent or habitual absence from duty and when, in the opinion of the Department Head, Building, and/or District Administrator(s), there is reasonable cause for requiring such a certificate. In regards to patterns of absenteeism, wherever possible, the supervisor will have a conversation with the employee.

If a full-time employee dies while in the employ of the Woodbridge School District or if the employee retires, such employee or his or her estate, as appropriate, shall, in addition to all other benefits due, be paid for twenty-five percent (25%) of his or her unused, accumulated sick leave days up to the maximum accumulation of 120 days. That is, an employee at the maximum accumulation of 120 days shall be paid for thirty (30) sick days. The payment shall be calculated by multiplying: (a) the employee's daily wage or salary rate by (b) the number of unused, accumulated sick leave days credited to the employee by (c) twenty-five one hundredths (.25).

If a part-time employee dies while in the employ of the Woodbridge School District or if the employee retires, such employee or his or her estate, as appropriate, shall, in addition to all other benefits due, be paid for twenty-five percent (25%) of his or her unused, accumulated sick leave days up to the maximum accumulation of thirty days. That is, an employee at the maximum accumulation of thirty (30) days shall be paid for seven and one-half (7 1/2) sick days. The payment shall be calculated by multiplying: (a) the employee's daily wage or salary rate by (b) the number of unused, accumulated sick leave days credited to the employee by (c) twenty-five one hundredths (.25).

In the event of layoff, the affected employee shall retain their accumulated sick leave in the event of recall, but shall not accrue additional sick leave during the period of layoff.
