Woodbridge Library Commission Minutes
July 12, 2021
The Woodbridge Center Cafe 6:30 PM

Members Present: Tom Shernow (Chair), Tina Brogadir, Jim Moriarty, Emily Sharp, Andi Doucette, Dick Blackwell, Margaret Hamilton, Thanh Huntington

Members Absent: AJ Cappiello

Also Present: Eric Werthmann, Library Director (LD), David Vogel, Board of Selectman, Jeanette Glicksman, Sandy Stein, Ellen Spark (Mses. Glicksman, Stein and Spark were present for the presentation of thank you gifts to Ms. Glicksman).

1. Call to Order at 6:36 by Thomas Shernow. Member, Jim Moriarty, serving as acting secretary.

2. Thank you to former Commission Chair Jeanette Glicksman-

The Commission members presented Ms. Glicksman with a plaque and potted rosebush to thank her for fifteen years of service on the Library Commission, and to acknowledge her significant contributions to the Library.

3. Additions to the Agenda – None

4. Public Comment and Liaison Report-

- a) Public comment- N/A
- b) Friends of the Library – LD informed the Commissioners in the Friends’ Report that the Barbara Rader Memorial Program with speaker Dr. Mark Schenker was well received with 55 people in attendance. Bookstore alley has opened for a few hours a week and shoppers are returning. The Friends held a mini book sale on Saturday, July 10. The sale was well attended and the Friends also received a number of donations.
- c) Board of Finance –N/A.
- d) Board of Selectman –David Vogel is the new Board of Selectman Liaison to the Library Commission. Mr. Vogel will attend his first BOS meeting on July 14, 2021, and will report to the Commission on BOS business at the next Commission meeting in September.

5. Approval of Minutes-

From June 14, 2021 Commission meeting –Tina Brogadir moved to accept the minutes and seconded by Jim Moriarty. The motion passed 4-0-4, with Commission members who were not in attendance at the June 14 meeting abstaining.

6. Approval of Minutes-

From June 30, 2021, Special meeting- Andi Doucette moved to accept the minutes and seconded by Emily Sharp. The motion passed 4-0-4, with Commission members who were not in attendance at the June 30 meeting abstaining.

7. Committees –

a. Budget & Finance –

Munis and 405 Reports- The Commission members received June financial reports and the 405 (Funds) report. The LD described each of the financial reports for the new Commission members. There was a brief discussion of the electric line item in the Munis which is approximately \$10,000 below budget. The consensus was that the cost saving was due to the Library closure during the pandemic. There was also a brief discussion concerning a small amount of money remaining in the Director's salary line item. The LD pointed out that the MUNIS included salary for the last three days of June, that amount will be paid in July, and there will not be any remaining funds in the Director salary line item at fiscal yearend.

Andi Doucette moved to accept both reports. Emily Sharp seconded, and the motion passed 8-0.

b. Policy & Personnel –

LD reported that the Library is now open 30 hours per week and as a result of the increased hours has added a Circulation Assistant and Part-time Reference Assistant. The LD reported that there will be additional hiring when the Library further increases its hours of operation this Fall.

The LD commented on the Commission's June 30, 2021, approval of Beth Weintraub to the position of Assistant Head of Children's Services and the Endorsement of Emily Cantor to Head of Adult Services. Ms. Cantor's promotion requires BOS approval, and the first aspect of the approval was received from the BOS Personnel Committee on July 12. Ms. Cantor's candidacy will be considered by the full BOS on July 14, 2021.

c. Property Maintenance –

LD reported that during the heavy rain on July 9, 2021, there was water leaking from the roof of the Woodbridge Room. The roof was inspected, but the area of the leak was not easily identified. A further investigation will be undertaken. The leak did not cause any damage to Library property.

8. Directors report –

- a. The LD reported that as of July 6, 2021, the Library expanded its hours to 30-per week. The LD reported that the Library is offering more programming, has been very busy, and patrons are very happy with the longer hours and increased programming.
- b. The LD reported on the Library's application for funds from the American Rescue Plan grant ("ARPA"). The submitted application seeks \$16,105, the amount the LD

was informed is available for the Library, to purchase new furniture (chairs and outdoor picnic tables). Many of the chairs within the Library are more than 20-years old and need to be replaced. The ARPA grant will allow the Library to purchase modern, comfortable, and easy to clean/sanitize furniture at no cost to the Town.

- c. The LD reported that the Library's new fiber optic internet connection is up and running. The fiber connection provides fast, reliable internet access, and will allow the Library to utilize new and emerging technologies without concern for inadequate bandwidth or data speed. The project was paid for with monies received from a grant, and was at no cost to the Town.
- d. The LD reported on potential staffing concerns when the Library further increases its hours of operation. Thereafter, a discussion ensued with the LD describing for the new members the budget process generally, and how the budget was impacted by the Pandemic.

10. New Business –

- a. Nominating Committee Report- In accordance with Commission Bylaws, during the June 14, 2021, meeting the Chair appointed Emily Sharp, Tina Brogadir and Andi Doucette to serve on the Nominating Committee to propose a slate of officers to be considered at the September 2021 meeting. Ms. Sharp reported that the Nominating Committee proposes:
 - i. Jim Moriarty as Chair;
 - ii. Andi Doucette as vice-chair; and
 - iii. Tom Shernow as Secretary/Treasurer.

Tina Brogadir made a motion to accept the Nominating Committee's report and recommendation. Emily Sharp seconded the motion, and the motion passed 8-0.

11. Old Business -

Library Commission Meetings; Virtual or in-person-The Commission members discussed their respective preference for meetings to be conducted in-person or virtually. The pros and cons of each type of meeting was discussed, with public access to meetings a factor in favor of in-person meetings and ease of attendance a factor in favor of virtual meetings. The Commission agreed to meet in person in September to conduct the election of a new slate of officers, and to revisit whether meetings will be in-person or virtual after September. The LD will look into whether a hybrid approach, with some members in attendance in-person and others virtually, is permitted.

12. Executive Session – N /A

13. Items for September 13, 2021 Meeting – 6:30 P.M.

- a. Election of Commission Officers
- b. Form of Meeting: in-person, virtual, or hybrid
- c. Committee Appointments

14. Adjournment

Moved to adjourn by Emily Sharp. Seconded by Andi Doucette. Unanimously approved 8-0. Adjourned at 7:30 P.M.

Respectfully submitted,

James Moriarty, Acting Woodbridge Library Commission Secretary

Library Director's Report September 2021

It was generally a good summer, as the Library started to move slightly closer to normal. We've continued to see more people coming back into the building, and we were able to offer a good deal of outdoor programming when the weather cooperated (though it often didn't). We had originally planned to start indoor programming as winter approached, but, due to Covid's resurgence, this probably won't happen for at least a few more months. We'll keep offering programs outside for as long as we can.

We are currently in the process of hiring for two positions – the full-time Children's Assistant position that was made vacant when we promoted Emily and Beth, and also a part-time Reference Librarian position that has been vacant since the beginning of the pandemic. We're making good progress with both of these and, if possible, I would appreciate it if there could be a brief Special Library Commission meeting later in September to approve these hires. Once we have these two positions filled, we should be able to expand our hours to about 45 hours per week, including Saturdays. This should be in line with the re-opening plan I submitted to the Boards of Selectmen and Finance in the Spring.

We are scaling back our Park & Pickup service as of Monday, September 13th. We developed this service in June 2020 when staff returned to the Library after being home for more than two months. We started exploring ways to continue to offer services to our patrons while the building was still closed off to the public. Park & Pickup was the most important result of our efforts at this time and it has allowed us to get tens of thousands of books and other items into the hands of our patrons over the 15 months. However, running this service is an incredible amount of work and, as time has gone on, it has begun to place a notable strain on staff. So, as we're now open to the public a fair number of hours, we decided that we would change the service a bit. Up until now, Park & Pickup has been the default method of getting items for patrons. Starting now, this service will still be available, but only by request. This should lower Park & Pickup volume substantially while still allowing people contactless access to our materials if they need or want it.

Our Library Patio project has been subsumed into a larger project that the Town is developing. This project will hopefully include a pavilion in the grove area, as well as some sort of patio for the Library. I'm not exactly sure of the timeframe on this, but it's likely things will move quickly. We should still have a good amount of input on this project, especially the patio portion.

We received our funds, \$16,105, from the American Rescue Plan Act grant over the summer. Now it's time to spend it! First up, I've ordered about \$10,000 of lounge chairs for the Children's Department and the Café area. This is going to take some time to arrive, as the furniture is, along with everything else in the world, currently backordered for a few months.

We subscribed to FortiGuard Advanced Malware Protection in July via our consortium, LION. Obviously, cybersecurity is of increasing concern and we're always trying to make sure that our network is secure. This new subscription should help protect us against malware, viruses and ransomware. It costs about \$110 per year.

We're bringing back our outdoor "Movies on the Green" program after not being able to do it last year. We're trying this in September this time around, as opposed to August. This experiment may or may not

be successful, but the fact that it won't be so unbearably hot and that sunset is significantly earlier than it is in August made this option appealing. We're trying to play movies with diverse casts and stories so as to connect with ad hoc Diversity & Inclusion Committee's event, *Woodbridge Like Me*. The movies are going to be presented on Thursdays starting on September 9:

- September 9 at 7 pm: *Coco*
- September 16 at 7 pm: *Raya and the Last Dragon*
- September 23 at 7 pm: *In the Heights*
- September 30 at 6:30 pm: *Green Book*

However, we've already had to postpone *Coco* due to the weather. Hopefully, we'll have better luck going forward.

I'm proposing that we close the Library on October 20th for a Staff Development Day. We haven't had a Staff Day in a few years, and I think it's important for staff to have a day like this after the stresses of the past year and a half. The plan is to receive two major trainings:

- First Aid/CPR/AED training from American Medical Response. This will last about 3 hours and is especially important as we have two AED machines in the building. Several staff members have already had this training, but their certification has lapsed. We also have a bunch of new staff members who should receive the training too.
- *LGBTQ+ 101: An Introduction to Identities & Allyship* from the Triangle Community Center. This training will last about 1.5 hours and should help staff understand and be more sensitive to the needs of both patrons and other staff members.

In addition to this, there will be some team-building exercises and some time do decorate/carve pumpkins. The pumpkins will be displayed afterwards. I would like to have another Staff Development Day in the Spring to have some further sensitivity training as well as to begin work on the organizational statements mentioned in my goals.

Goals

I have come up with a list of goals for the next year or so. As my efforts to achieve several of my previous goals were interrupted by the pandemic, some of these are repeats from the last time I did this.

1. **Re-Open Library** - Fully complete the return to the services, staffing levels and hours we had before the pandemic.
2. **Organizational Statements** – Develop, in conjunction with staff and the Library Commission, a revised mission statement for Library, and also create new vision and values statements.
3. **Replace Furniture** – Continue to replace some of the Library's aging furniture, including lounge chairs, computer chairs and café furniture.
4. **Professional Development** – Provide frequent professional development and training opportunities. Hold a staff development day at least annually and encourage staff members to take advantage of training webinars, workshops and conferences.
5. **Policy Manual** – Complete the revision and reorganization of the Library's Policy Manual, in conjunction with the Commission and the Policy and Personnel Committee.

July and August were busy months with most of our focus being on summer reading programming. The theme was *Tails and Tales*, so Beth worked on several animal-themed

programs, including a weekly Animal Tales program where kids made different animal crafts, as well as additional science and art activities. Each program had a registration limit of 10 and was fully booked every time. I worked on a tail-themed bingo card that kids could complete over the course of the summer and hand in for a prize. I also collaborated with Kira in Adult Services on a drop-in cockroach program where kids could hold a live Madagascar hissing cockroach and make a matching craft. We had upwards of 15 kids make a craft.

In July, I organized a Tails with Tales contest, in which patrons were encouraged to submit photos of their pets posing with their favorite books. We had 21 entries (in addition to 10 staff submissions) which remained in the lobby for 3 weeks while patrons voted for their favorite. The contest winner (Peaches the cat) received a Petco gift card.

Our most popular event in July was *Rumplesnakeskin*, presented by the White Memorial. We had around 40 people attend in addition to several of the daycare classes from the Child Center. The kids were very interested in the story and the snake facts but were most excited to touch the snakes as they were brought around.

Our end of summer reading party was the highlight of August. We had magician Ed Popielarczyk come and do balloon animals while his bubble machine ran in the background (both were huge hits). We also had lawn games, a leopard craft, a scavenger hunt, and ice cream. Attendance was around 50 people total, and we received 20 reading logs and 11 bingo sheets.

In addition to summer reading programming, Beth has continued to do outdoor story time every Wednesday as weather has allowed. It continues to be very well-attended, ranging from 10-25 attendees each week. I held a tween cactus craft in August that 10 kids showed up for, which was nice as the tween population can be hard to reach. Beth and I have continued to work on programming, shelving, weeding, and general desk duties, which has been challenging at times as the only two people in the department, but we've been grateful for the help we've received from circulation as well as Joni, who has been working here since mid-July. We are also excited to finally fill the vacant children's position in the next month, which will hopefully allow us to offer more programs!
