## A Community for Everyone

Dear Neighbor,

Recently, I participated in community events that perfectly illustrate what makes Woodbridge so exceptional.

On September 25th, our Annual **Living Treasure** event celebrated three residents – Susan Davidson, Beth Heller and Tom Kenefick – for their many years of dedicated volunteer service to our Town. Additional details on this meaningful event follow in this issue.

The 42nd Annual **Woodbridge Road Race** kicked off a beautiful fall Saturday on October 5th, with 108 runners raising thousands of dollars for our Residence Assistance Fund.

Our 4th Annual **Woodbridge Like Me Day** followed, welcoming hundreds of people from our Town and beyond to celebrate the many cultures and identities that make up our Woodbridge community, and what makes our Town so special.

Representatives of more than 30 local organizations staffed tables to familiarize and engage friends and neighbors with their activities. Nearly a dozen performances took place, including the Beecher Road School Band, Salsa lessons, and Taekwondo. Henna tattoos, craft activities, and a variety of games provided numerous opportunities for hands-on engagement.

The event culminated in the **first ever** Woodbridge Like Me “Runway” presentation, with participants representing the cultural heritages and dress of Albania, China, Greece, Italy,

Jamaica, Japan, Nigeria, Southeast Asia, Tanzania, and Vietnam, and sharing their different interests including baseball, gardening, Legos, soccer, and sustainability, and even a couple of our local Living Treasures.

A long-time Woodbridge resident shared with me that she teared up watching fellow community members walk the runway. The impact of seeing our rich, colorful and diverse community being displayed and celebrated on our Town Green was inspiring and joyful.

Woodbridge is a dynamic and diverse community that continues to grow and evolve. It was truly an honor to have been a part of demonstrating all the things that make our Town truly wonderful.

standing volunteers represent years of public service within many areas of the town.

## Library News

**The holidays are approaching**, and it's often a time for reminiscing on cherished family memories. If you've ever wanted to share a home movie or other family treasure, but realized it can no longer play because of the outdated format, you're in luck! The Woodbridge Town Library offers a free Digitization Station to convert your physical media to digital.

Countless family treasures are stuck in older formats like VHS, audio cassettes, or film. Have some scrapbook photos or drawings you want to post online? Try our Photo Scanner for high quality scans. Convert 8mm or Super8 reels to digital with our film digitizer, which

also works for a variety of negatives and slides. We can convert more modern formats like VHS tapes to digital as well.

Whether you're looking to preserve cherished family mementos, or want to

create a personalized gift for loved ones, the library can help! Stop by the Adult Services Department or give us a call and we can help you get started.

**Correction:** Our Digital Navigator's phone number was listed incorrectly in the October issue. He can be reached by calling 203-907-7298 or Adult Services at 203-389-3434.
